

Overview

This qualification is designed to provide learners with knowledge and skills relating to care practices. It will provide individuals with the chance to develop knowledge and gain skills to seek employment or progression onto higher level qualifications.

The purpose of this qualification is to prepare individuals for progression in the care sector. The units specified within this document cover a variety of areas and topics relevant to the sector, including leadership and management in health care.

NQual have produced more optional units to allow Learners to tailor their qualification to best fit their expected outcomes and career ambitions.
